CLASS RULES:

All hats MUST have been tagged with an Aqua hat tag, this can be done by the Secretary

BRC, Unaffiliated, Pony Club

& No dressage classes all run under BRC Rules Inc. timings.

GENERAL RULES ALL CLASSES

Horse/ponies must be 5 years or older.

Horses/ponies must be over 132cm in height.

Riders must attain the age of 12 years in 2022.

HAT STANDARDS Due to a change by the European Commission regarding EN1384 and BSEN1384 no longer being an accepted standard, all hats which only meet the standard EN1384 or BSEN1384, and do not comply with another standard from the above list, WILL NOT be accepted and therefore will not be permitted for any BRC competition. Hats which bear EN1384 or BSEN1384 along with another standard from the above list, will be tagged. For example, BSEN1384 & PAS015 (1998 or 2011) along with the Kite mark, would be acceptable, but not BSEN1384 on its own.

IMPORTANT CHANGE FOR THE CROSS COUNTRY PHASE: Only a “Jockey Skull” complying with the above standards may be worn for any XC phase. This must not have a peak, any peak type extensions or noticeable protuberances above the eyes or to the front and should have an even round or elliptical shape with a smooth or slightly abrasive surface. A removable hat cover with a light flexible peak may be used if required.

Body Protectors: A body protector is obligatory in all cross-country competitions and is strongly recommended in show jumping competitions. A BETA Level 3 (purple label) which has been manufactured in the year **2009** or blue label 2018 must be worn. Body protectors should be fitted and worn as per the manufacturer’s instructions.

The uses of HEAD CAMS are strictly prohibited. This includes use on the head, chest, bridle or any other part of the horse or rider.

Falls: A rider is considered to have fallen when there is involuntary separation between them and their horse/pony, which necessitates remounting or vaulting into the saddle.

Any competitor who has had a fall in a warm-up area, competition arena or anywhere on site, must:

- see the doctor/paramedic before remounting to start the competition/phase and follow their instructions
- see the doctor/paramedic before leaving the site and follow their directions
- liaise with event officials where multiple classes/multiple horses are entered to ensure they are able to continue should a time sanction be imposed by the doctor/paramedic. It is the rider’s responsibility (or guardian of a junior rider) to ensure compliance. The doctor/paramedic/first aider/coach/steward/organisers decision will be final. Failure to comply may result in a referral to the BRC Disciplinary Committee. All falls should be correctly documented and reported.

Medical arm bands are recommended; these must be worn on the arm

Any horse or pony, which is considered by a Judge, Organiser or Steward to be unsound, unfit or unhealthy, will be excluded from further competition without any refund of entry fee.

ATV (quad bikes) and motor-bikes are not permitted at Moreton Morrell, unless specifically authorised by the Organisers. Official vehicles to dressage field only.

Non-competing/travel companions are not to be left in unaccompanied, the organiser/secretary must be made aware of any horses/ponies onsite which are not competing.

Competitors will be required to print their numbers and display in a number bib for all phases.

ALL DOGS MUST BE ON A LEAD & CLEARED UP AFTER – Moreton Morrell College is a Working Farm.
